Product Options

These colors are not available in all products. Please visit, [Romabio.com/coloroptions](https://romabio.com/coloroptions) to find out which products are possible.

Tips for Choosing a Color

- Stay within the same undertones to compliment the fixed elements.
- Use inspiration from a designer, blogger or others on Instagram or Pinterest.
- Keep it simple with only 2-3 colors in a room or on your exterior.

For more tips on choosing color, check out Lauren's Bless'er House blog and to see inspiration photos, scan the QR below and search on Instagram by the color hashtag.

Tips for Application

Romabio paints are easy to apply with brush, roller, or sprayer and may require dilution. Check the instructions on the back label and get more resources at [Romabio.com/toolkit](https://romabio.com/toolkit).

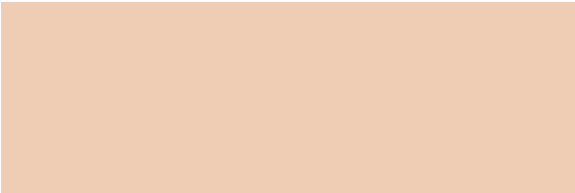

If you need help with application, be sure to get a Romabio Preferred PRO. Fill out the form at [Romabio.com/needapro](https://romabio.com/needapro) and we will connect you with one in your area.
