

## PREMIUM APPLICATION BRUSHES & TOOLS

 Made in Italy

### MASONRY BRUSHES

#### FEATURES

Handmade, high quality, masonry paint brushes specifically designed for application of mineral and lime based paints on brick and other masonry surfaces. Available in two sizes, large masonry brush and small masonry brush. Easy to hold and perfect for painting. Designed to hold more paint for smooth applications. Synthetic bristles specifically designed to withstand high pH paints for repeated use.

- Handmade, masonry brushes for use with high pH mineral and lime based paints
- Cup design and bristles allow for anti-drip and no mess
- High-quality bristles allow for precise and easy cut-ins
- Easy clean up with soap and water when using mineral and lime based paints
